Born and raised in downtown Victoria B.C, Brooke grew up very much apart of the urbanized community and always found herself in one way or another involved in dance, hiphop culture and arts. Influenced by her surroundings, Brooke's passion for hiphop and its culture, inspired positive creativity in dance and life.

Involved in urban dance forms from an early age, Brooke devoted countless hours to studying Hip Hop & pop cultures dance genres. Using all time and money for choreography off Janet Jackson's latest VHS, sick beats from Salt'n Peppa, Aaliyah and Notorious B.I.G's next 'album' (*cassette tape, and of coarse. . .her first pair of high-top addidas kicks ;)* , Brooke's life forever changed when she was bought her first ghetto blaster and full length mirror.

Growing up in a middle class community, there was little opportunity for dance training in the 'HipHop' genre, and next to no fellow HipHop'stresses in reach. Due to this, Brooke found growth in knowledge in researching choreographers, dancers, hiphop artists in and around her community.

Recruiting passionate hiphopsters, creating practice dance crews and learning opportunities for anyone wanting to expand their hiphop harizons. Entering local and school talent shows, *modernized* dance classes at various studios, festivals and events, Brooke quickly discovered her love for hip hop choreography and continued full force.

Still, Brooke felt that the hiphop scene in Victoria needed some refreshing, creating VIBESTREET DANCE STUDIO, Victoria's Home of HipHop dance and culture. Heavily involved in dance, hiphop (mc) shows, and the local hiphop scene - Brooke opens VSD's doors to anyone and everyone, and encourages freestyle jams, and a supportive studio for events and shows.

Traveling across Canada and down the West Coast to San Francisco, to witness the fresh BBOY scene & Los Angelas California, to train at the world famous Mellennium Dance Complex with top choreographers such as: Jaffar Smith, Shorty & Shane Sparks, And regular training off the island and conventions with such dancers as: Blake McGrath, Tabitha & Napoleon, TWITCH, Luther Brown, Sh-Tyme and more! Brooke's networking and professional connections continue to bennifit her dance career with many workshops and dance events in the works for the 2009-2010 dance year!

After an intensive Summer of training, Brooke is stoked to work with her talented dancers at VSD as well as meeting many more to join our dance family©
